RE: MEMBER EDUCATION ON THE PUBLIC OFFICERS MEDICAL SCHEME FUND (POMSF) UNDER SOCIAL HEALTH AUTHORITY

The Nairobi City County Government entered into a contract with the Social Health Authority (SHA) for the provision of a Comprehensive Medical Cover under the Public Officers Medical Scheme Fund (POMSF) with effect from 21st December, 2025.

In order to ensure that all employees fully understand the scope of benefits, eligibility criteria, access procedures, service providers, and their respective obligations under the scheme, the Public Service Management in collaboration with the Social Health Authority has organized a Member Education Programme for all staff.

The purpose of this sensitization is to:

- Provide detailed information on the POMSF medical cover benefits package.
- Clarify registration and beneficiary enrollment procedures.
- Explain access to outpatient and inpatient services.
- Outline claims procedures and escalation mechanisms.
- Address any concerns or questions from members.

The education sessions will be conducted as per the attached schedule

All staff members are required to attend as this programme is critical to ensuring smooth transition and effective utilization of the medical cover.
